Awana Mission Project!

This year Awana will be raising money for ducklings for Farmers in Bangladesh through World Renew!

What can you buy for a dollar (\$1.00) each? How about a duckling!

For every \$25.00 a farmer gets 25 ducklings! Let's help give a farmer the gift of being able to provide more food and better health for their family, by giving them ducklings that they can raise for eggs, meat, feathers which gives them an income. In the foyer you will find a cage with ducklings. **If you would like to help raise money for ducklings there is a yellow box on the duck cage that you can put your offering in.**

Let's work together to fill the cage with ducklings!

Children's Christmas Program -

We are wondering if anyone is interested in directing a Children's Christmas program this year. Sunday School and/or Children's Worship time can be used for practice. If you are interested or have questions, please talk to Michelle Elenbaas.
